---

## EDUCATION

UNIVERSITY OF IOWA  
M.S., Business Analytics

- GPA in progress

Iowa City, IA  
12/2023

UNIVERSITY OF IOWA  
B.B.A, Business Analytics and Information Systems

- GPA: 3.35/4.0

Iowa City, IA  
Graduated 12/2022

---

## TECHNICAL SKILLS

- R, Python, SQL, Oracle Apex, Jupyter Notebooks, Jira, Excel
- Data Analysis, Regression, Forecasting, Data Visualization

## Projects

Urban Acres Web Scraping Project – Used a Google Chrome Web Scraper Extension to collect Open House data from the Urban Acres Real Estate website. The data was ultimately cleaned and imported into a relational database for subsequent analysis.

Employee Turnover Analysis – Used RStudio to clean and analyze voluntary turnover data from Marmon Holding Inc. The analysis led to the identification of factors with the highest correlation to employee turnover rates.

---

## EXPERIENCE
